BEGIN WITH THE OUTCOME

What should be different because your people came? We use that answer to help shape the setting, schedule, meals, and shared moments around your team.

THREE PROVEN FORMATS

Choose the shape that fits the work.

- 01 STAFF RETREATS & TRAININGS**
Focused sessions with presentation technology, privacy, and the option to keep a smaller leadership group on the property.
- 02 COMPANY CELEBRATIONS**
Milestones, appreciation events, and holiday gatherings that feel like a genuine occasion instead of another meeting.
- 03 TEAM BUILDING & FIELD DAYS**
Outdoor space, the creek, farm experiences, games, and shared time away from the office dynamic.

AT A GLANCE

Built for a working event.

- **175** recommended seated capacity indoors
- **250+** across the double terraces; high-count outdoor programs require a weather plan
- Wi-Fi, indoor and outdoor sound, and a 72-inch presentation screen
- Tables, chairs, on-site parking, and a full catering kitchen
- Four minutes from I-85 Exit 173 and ten minutes from Lavonia Municipal Airport
- No overlapping events or shared event parking

BUILD BEYOND THE MEETING

Give the day room to work.

Ask about on-property lodging, creek time, hayrides, bonfires, Lake Hartwell, golf, sporting clays, and other experiences chosen around your people and purpose. Availability, responsibilities, and costs are made clear in your proposal.

BRING US THE BRIEF

Your outcome. Your date window.
Your headcount.

Marie will help you see what fits and shape a clear proposal around it.
